

I strongly oppose Sinclair Broadcasting's decision to force their stations to air an anti-Kerry documentary that the company argues is not subject to equal time regulation.

I trust that as the keeper of the public interest in broadcasting, the FCC will act to assure that this broadcast does not occur...or that if it does it is subject to the same regulations as other partisan political announcements.

Further, I believe Sinclair's actions represent a clear demonstration of the dangers of media consolidation.

I urge the FCC to act decisively to reverse the trend of media consolidation in the interest of our citizens. Thank you for your time and consideration.
